

Dear West Seattle Community Business Partner,

As you may know, the budget put forward by the WA State Legislature does not achieve the state's paramount duty to fully fund education. PTA funding is becoming more and more important to maintain the integrity of our children's education and to fill in the gaps.

With that in mind, Genesee Hill Elementary is reaching out to you, part of our West Seattle Community, to become a sponsor of our 2017 Move-A-Thon and the 2018 Auction. Your generous contributions will help us continue to support core fundamental needs like *school supplies and classroom materials, library books, reading and math tutors, playground supervisors and equipment*, and programs like *geography, visual arts, library, physical education, and teacher professional development*.

The **Move-A-Thon, scheduled for October 12, 2017**, is a special fundraiser in which students raise money for their school and celebrate fitness. The students, staff, and parents jog, walk, or skip around a 1/10-mile course for 30 minutes trying to get as many laps as they can.

Or, **donate an item or service** from your business to be used at our **Auction on March 17, 2018**. Genesee Hill Auction is an amazing community event bringing together over 400 parents, teachers, and staff.

**We hope you will say yes and make a donation.**
