enrollment opens, you'll get a warning that enrollment is not yet open

Before enrollment opens:

When it's enrollment time, you'll get a successful add that looks like this:

Two things to note: 1. You can add classes for all your students at once (just click the “Add” button again if you need multiple spots for the same class), and will be asked to assign classes to specific students once you checkout, 2. When you add something to your cart, **it's yours for 25 minutes** so you have enough time to complete your enrollment.

6. Once you're done selecting classes, click your shopping cart button (upper right hand corner) and click “View My Cart”.

7. You'll then be prompted to review your selections
